Unless their Rock had sold them, the Lord had given them up?”

Dear Applicant:

Welcome to the Christian Booksellers. We thank you for your interest in The Christian Bookseller's. The Christian Booksellers provide fundraising opportunities to churches, Christian and women's organizations. We are a Christian organization dedicated to bringing Christian literature to the country that will change a person's life and to provide employment to those entering the job market or wanting to change occupations. Communities thrive when people work to improve their lives. Our mission is to provide superior distribution services for products that enhance people's relationship with God and spread Jesus Christ's message to the world. It is a mission we take seriously. We believe it takes a strong business to sustain a strong ministry, and we are focused on doing our part to help you succeed. We enjoy working in this unique and important industry and welcome the opportunity to partner with you. We stock several Christian titles. We are constantly adding titles for our fundraisers. We are available when you need us—24 hours a day, seven days a week!

Any one working in association with our company must be beyond reproach. They must dress according to their labor and make no misrepresentations as to the amount of money that a church or organization will make when conducting a fund-raiser. You are expected to be polite and helpful to all personnel. Your conduct will dictate the amount of money you will earn through helping the church or organization conducting their fund-raiser. Your earnings will be based on the gross amount earned by the church. To be successful you must become a professional. You must be poised, professional, confident and well groomed. You must know your product and be self-assured. This is a wonderful opportunity for the person wanting to change careers or work part time. You will meet people from all walks of life and you will be enriched by the experience. Dress for the occasion.

In order to work in association with our company presenting our products to organizations you must undergo a criminal background check and submit a copy of your driver's license, and complete an application with five local verifiable references.

The selling process is quite simple you will approach churches and women organizations (working directly with women and children in violent situations)* and offer your assistance in helping them conduct a fundraiser. You can direct them to our **website** (<http://christianbookseller.biz>) for a full explanation of our program or you can make an appointment with the church member who will be responsible for conducting the fundraiser. After you interest this person in the fundraiser you then must be available to help promote the event. During the fund-raiser period you will help church personnel with ideas as how to promote the fundraiser or help in getting media support or designing flyers to promote the fundraiser.
